To Whom It May Concern:

I am so grateful to Ariela Wilcox for working with me to take my business to the next level.

I have always wanted to write a book, but often got in my own way. Working with Ariela changed everything. Ariela gave me profoundly helpful guidance each week, holding me accountable and giving me expert assistance. Her support and enthusiasm for my content has been invaluable. She always comes to our meetings with more information, market research, and innovative ideas. I am about to submit my book for self-publication and am thrilled that with her help I was able to do it in 6 weeks!

I am excited to create a signature program with the Wilcox Agency. I have learned an enormous amount from Ariela about business and am looking forward to continuing to learn more and create more opportunities for myself!

Sincerely,
