Dear Ariela,

Working with you over the past three months has truly been a pleasure and an enlightening experience. Your knowledge in several industries has been so beneficial to me!

I contracted with you for two projects, and you over delivered on both of them! You got me to the TOP Agents in the Product Licensing Industry, and I have since contracted with one of them! I KNOW this will be a long term, very lucrative, fantastic relationship! It already is starting out that way, so THANK YOU for doing such an incredible job representing me! My product, THE SPIFTER, will soon be a household name, as well as my brand, DIANE FORSTER INNOVATION. You connected me to the absolute RIGHT person who sees my vision and believes in it!

My other project is completely different, as both of my companies are so totally different from one another. You provided me with so much content, resources, useful tools and information to help me grow I HAVE TODAY to reach the much needed, underserved women who suffer from lack of self-worth with an ACTIONABLE, Sales Driven approach!

Thank you so much for all the additional hours we shared, the bonuses you've given me, and the insights that I couldn't see for myself. I am forever grateful and know we will work together again in the future.

Please feel free to use me as a reference at any time. I am happy to support you!

Warmly,

Diane Forster
